Dear Customer,

Write your order number and date of manufacture onto this warranty. They are printed on a sticker in the upper inside frame of your window.

All of your windows have the same order number and date. Your order number is distinctive to YOU, and all service related solutions are dispatched and tracked using your order number. Your product is backed by a very extensive and responsive network of service personnel.

For more information on service refer to the brochure, "Warranty & Service Information."

CUSTOM VINYL WINDOWS & PATIO DOORS LIMITED LIFETIME WARRANTY non-prorated • transferable

Products are fully warranted against defects in workmanship and materials under normal use and service for a Lifetime from date of installation. The Manufacturer agrees to repair or replace, **at the factory, free of charge**, any returned product that is found to be defective. This guarantee does not cover glass breakage or screen damage for any cause whatsoever, service calls to the home will be made at the prevailing rate.

Lifetime Frame and Sash Warranty:

Polaris Technologies warrants that the vinyl extrusions manufactured from Polaris® Vinyl Compound, for use by Polaris Technologies in fabricating the Window and Patio Door Products, are free from defects in material and workmanship in the course of manufacture and will not materially rot, rust, crack, warp, pit, corrode, peel or blister during the warranty period and will not materially fail to maintain their basic color characteristics in the warranty period.

Insulating Glass Limited Warranty:

Polaris Technologies warrants that its insulating glass units (the Product) will be free from material obstruction of vision as a result of dust or film formation on the internal glass surfaces caused by failure of the hermetic seal due to faulty manufacturing of the unit. The Polaris Technologies warranty of the Product shall extend for a period of thirty (30) years after the date of installation. If Polaris Technologies elects to supply another product as described below, the warranty on said Product will extend for the balance of the original 30-year period. Units with mini-blinds between the glass will have a 10 year warranty from the manufacture date of the window or patio door. This includes stress crack, seal failure, or blind repair.

Special Notice:

Condensation on the prime window or patio door glass is the natural result of excess moisture in the house and does not indicate a faulty installation. Changes in temperature and humidity may create temporary conditions of condensation. The manufacturer cannot make any guarantees regarding condensation.

Polaris Technologies makes no other express or implied representation or warranty of any kind regarding the product, whether as to merchantability, fitness for a particular purpose, or use of any other matter. In particular, Polaris Technologies assumes no responsibility for glass breakage, improper usage, failure of Product due to faulty installation or building construction or design, improper handling, failure to follow Polaris Technologies instructions regarding the Product, or if the unit is subject to stresses resulting from localized application of heat which causes excess temperature differentials, or if strain is applied to the unit by movement of the building. After market painting/staining of the product will void this warranty.

In the event that the Product fails to conform to the Polaris Technologies warranty described above, Polaris Technologies will, at its option, furnish the purchaser with another Product. F.O.B. Polaris Technologies, Austintown, Ohio.

Polaris Technologies will bear no other expense such as labor costs of any kind and purchaser's exclusive remedy, in lieu of all incidental, special, or consequential damages, including the case of negligence, is limited to the furnishings of another product as heretofore described.
